RECOGNIZING ST. JOHN'S-ST. ANDREW'S CATHOLIC SCHOOL CENTENNIAL

HON. TOM EMMER

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 20, 2015

Mr. EMMER of Minnesota. Mr. Speaker, I rise today in honor of St. John's-St. Andrew's Catholic School in Meire Grove, Minnesota, as it celebrates its centennial.

Founded in 1915, the current schoolhouse was built to meet the growing needs of a thriving Catholic community. After years of remodeling and improvements, and a shift towards being a parochial school, St. John's-St. Andrew's now consists of 40 families. An impressive growth, considering Catholic education in the area began with a deserted log church and 20 children.

For a century, central Minnesotans have sent their sons and daughters to this historic school knowing that they will receive a substantive education centered around Christ. For many, this Catholic tradition spans several generations.

I pray that these children continue to grow in their faith and that they continue to follow Christ's example of service and respect.

Mr. Speaker, I ask that this body join me in congratulating St. John's-St. Andrew's Catholic School on 100 years, and thanking them for

building such a strong Catholic-educated community. May their success continue for decades to come.

INTRODUCTION OF THE COLUMBIA
RIVER BASIN RESTORATION ACT

HON. EARL BLUMENAUER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 20, 2015

Mr. BLUMENAUER. Mr. Speaker, I am pleased to introduce the Columbia River Basin Restoration Act, a bill that would bring much needed resources to clean up toxic pollution in the Columbia River Basin. The Columbia River is the largest river in the Pacific Northwest. The River and its tributaries provide significant ecological and economic benefits to the Pacific Northwest and the entire United States. Historically, the Columbia and its tributaries have constituted the largest salmon-producing river system in the world, with annual returns peaking at 16 million fish.

The Columbia River was designated an Estuary of National Significance in 1995 and a Large Aquatic Ecosystem (LAE) by the Environmental Protection Agency (EPA) in 2006. Yet it remains the only LAE to receive zero Congressional funding pursuant to this designation—despite a growing problem of toxic contamination throughout the River Basin.

Toxic contaminants are present throughout the Columbia River Basin and are harmful to public health and ecosystem health. These contaminants make their way into fish tissues, which when consumed can be damaging to human health. Some of these toxics are known to increase cancer risks and have been linked with neurological, developmental and reproductive problems, including birth defects and learning disabilities. This concern is particularly pressing for tribal populations, who rely on local fish as a dietary and cultural staple and consume large quantities of resident fish. In wildlife, contaminants increase mortality and disease susceptibility and impair reproduction and the ability of the fish to avoid predators.

In 2013, the States of Oregon and Washington issued fish advisories warning the public to protect itself against mercury and PCB contamination by limiting consumption of resident fish species living in the 150 mile stretch of river between Bonneville and McNary Dams.

This bill authorizes the EPA to establish a voluntary, competitive Columbia River Basin grants program to support projects aimed at reducing pollution, cleaning up contaminated sites, improving water quality, monitoring the Basin, and promoting citizen engagement. Eligible entities may include States, tribal and local governments, nonprofits, and private landowners. The legislation authorizes \$50 million per year for five years for this effort, which is estimated to create between 700 and 1,000 family wage jobs per year in the region.

The Columbia River is the lifeblood of the Pacific Northwest, but it has become dangerously polluted. It is time to clean up the Columbia River and improve water quality and river health for generations to come.

IN RECOGNITION OF COL. ALFRED
ROBERT FRENCH II

HON. RUBEN GALLEG0

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 20, 2015

Mr. GALLEG0. Mr. Speaker, I rise today to salute, congratulate and recognize Col. Alfred Robert French II, M.D., for his distinguished military career and years of dedicated service to our nation as we celebrate his upcoming 89th birthday.

Col. French II was raised in Bisbee, AZ and attended Bisbee High School, Wentworth Military Academy and Valley Forge Military Academy, graduating in 1944. Upon graduation, Col. French sought immediate induction into the U.S. Army and his journey in the service of our nation began in a crowded ship that left Brooklyn, New York, bound for Le Havre, France.

Upon arrival, Col. French II was requisitioned by the 61st Signal Battalion of the Third Army and began his service as a driver and a courier in Eider Oberstein, Germany. On occasion, he would drive through Germany, the Netherlands, Belgium, Luxembourg and France, all in one day. He also spent time in the Saar Protectorate, and then moved to Neckersulm, Germany, where he served as a Guard in a Displaced Persons (DP) camp.

Col. French was eventually transferred to Heidelberg, Germany and assigned to the 79th field Artillery group. There, Col. French II had the honor of attending General Patton's funeral service.

Col. French II returned to Phoenix, AZ, and studied at the University of Arizona. Soon after, however, he decided to continue his service to our country by reenlisting in the Army. He was deployed to Japan with the Army of Occupation and subsequently participated in the first battle of the Korean War as part of Task Force Smith, the first U.S. ground maneuver unit to enter combat in Korea.

Throughout his years of service, Col. French II has won numerous awards and distinctions, including the Bronze Star Medal, the Combat Infantry Badge, the Korean Service Medal, and the UN Service Medal.

After the war, Col. French II returned to Phoenix, AZ, and utilized the G.I. Bill to receive a B.S. from Arizona State University. He later graduated from Tulane Medical School with a specialty in Ophthalmology in 1959 and joined his father, Harry French, M.D., in private practice. Col. French II joined the Army National Guard in 1976 and served until 1993.

Mr. Speaker, Col. Alfred French II is a proud member of the Greatest Generation. He fought for our freedom in two different wars and has lived a life defined by service and integrity. I am deeply honored to recognize all that Col. French II has achieved and pleased to congratulate him as he celebrates his 89th birthday.

HONORING COACH BILL
GUTHRIDGE

HON. DAVID E. PRICE

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 20, 2015

Mr. PRICE of North Carolina. Mr. Speaker, I come to the floor today to honor the memory

of Bill Guthridge, long-time basketball coach at UNC-Chapel Hill, a skilled and dedicated mentor and leader on and off the court.

Bill is best remembered for his illustrious coaching career. He won two national championships in three decades alongside Coach Dean Smith, and he was an assistant coach on the gold medal-winning 1976 Olympic basketball team. After Dean retired, Bill was named head coach of the Tar Heels and took Carolina to two Final Fours in three seasons. All told, he played or coached in more Final Fours than anyone else in NCAA history.

Bill was content to operate behind the scenes, and he liked to tell the story that he and his wife Leesie enjoyed an anniversary dinner in Chapel Hill the night before he took over for Coach Smith without being recognized by a single student or basketball fan.

But anyone who knew anything about Carolina basketball understood the critical contribution that Bill made to the program, and his passing on May 12 has brought forth a torrent of fond memories and tributes.

Those tributes include an appreciation for the remarkable role Bill and Leesie have played in the community of Chapel Hill since their arrival in 1967. I have personally appreciated their encouragement and counsel, and my wife and I have admired the generosity with which they have extended themselves to support numerous good and visionary causes. As a former UNC student, I particularly appreciate their efforts to renovate and modernize the Undergraduate Library through the creation of the William W. and Elise P. Guthridge Library Fund.

I am not alone in appreciating Bill Guthridge's contribution to our community. Ask anyone who knew him—and many who didn't—and you will hear about his quiet devotion to the students he coached, his loyalty to his colleagues and friends, and his commitment to community betterment.

I feel very fortunate to have called Bill Guthridge a friend, and I am honored to pay tribute to his many contributions and the lasting impact they have made on the University and the community.

REMEMBERING MAURIE BERMAN

HON. MIKE QUIGLEY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 20, 2015

Mr. QUIGLEY. Mr. Speaker, I rise today to remember and honor the life of an important and respected member of the Chicago community.

On May 17th we lost a local legend. Mr. Maurie Berman, founder of the famous Superdawg passed away at the age of 89.

After serving his nation in WWII, Mr. Berman returned to Chicago to serve his community. His vision was to serve delicious Chicago style hotdogs without customers even having to leave their cars. In May 1948, Maurie and his wife, Flaurie, opened the first Superdawg at the end of the streetcar line at Devon and Milwaukee Avenues in Chicago. It would be one of the first drive-in restaurants of its time with Flaurie as the first car-hop.

Almost 60 years later, and countless hungry people fed, Superdawg has become a Chicago institution. The business has been passed down from generation to generation with Maurie's great-granddaughter putting in her first shift just a few weeks ago.

Mr. Berman was known not only for serving one of the best hotdogs, but also for being a truly caring person. He was a loving husband, father, grandfather, great-grandfather, friend as well as a highly respected member of his community. Maurie never missed an opportunity to help his employees in times of need.

I ask my fellow colleagues to join me in honoring and celebrating the life and accomplishments of Mr. Maurie Berman.
